To the Parent/Guardian of Incoming Seventh Grade Students;

The Ohio Department of Health has revised the immunizations requirements. All students entering the 7th grade are required to have one dose of Meningococcal vaccine and one dose of Tdap (Tetanus, Diphtheria and Pertussis) prior to the start of school.

Please arrange for your child to have these immunizations through your doctor or the health department.
Verification of the immunizations must be sent prior to the start of school using this form or other appropriate documentation (i.e. copy of immunization record).
