Dear Parent or Guardian:

A summer reading program accomplishes many worthwhile purposes. It not only encourages learning though the summer months, but also builds vocabulary, word recognition, fluency, and speed that will assist students as they progress through their years of schooling. All students in 7th grade for the 2018-2019 school year will be required to complete this summer reading packet. Please read over the information in this packet carefully. This packet will be one of the first grades earned in Language Arts class. Additional copies of these pages can be found on Mrs. Ralph’s teacher website on the Brooklyn Intermediate School website in case you need them.

PART 1:
- All students entering the seventh grade must read one book that has a minimum of 150 pages that they have not read in the past. If you choose a graphic novel or free verse novel your book must have a minimum of 200 pages. Please choose a book that is appropriate for your reading level.

- This book can be fiction or non-fiction but it must have some type of characters (example: biography or autobiography) and events. It cannot be a scientific book with just facts.

- In addition, it may not be a book that has been made into a movie (ex: Harry Potter series, Hunger Games series, or Wonder). If you are unsure if it has a movie, please Google it before you begin reading. You will not receive any credit for a book that has been made into a movie!

PART 2:
Complete all of the attached worksheets as you are reading. Be specific & include lots of details when you are completing the worksheets! Each page requires at least 10-15 sentences & each sentence should be at least 7 words long. Please write in your neatest handwriting. All worksheets are due on the second day of school!!

If you have any questions please contact Mrs. Ralph at jaclyn.ralph@brooklyn.k12.oh.us and I will do my best to get back to you in a timely manner.

Sincerely,

Mrs. Ralph
